

Alphabetical listing
of the articles in
The Berean Expositor
Volumes 1 to 56
1909 — 1992

Explanations

Each exposition has been given a volume number in bold type and a page number. **07.049** signifies volume 7 page 49. The zeros have been added for computational reasons.

Volume 3.

There are no references to volume 3. All the articles in volume 3 are listed under volume 2 because it appears that when vols. 2 and 3 were reprinted as a single binding in 1926 all the expositions were grouped together as pages 1 to 156. The presently available combined book, printed in 1966, contains volumes 1 to 3, and vols. 2 and 3 are again treated as pages 1 to 156.

Volumes 4 and 5.

There are no references to volume 5, they are all listed under volume 4.

The original binding of volume 5 was numbered pages 1 to 96. When volumes 4 and 5 were combined, volume 5 occupied pages 107 to 186, the articles having been put together and re-numbered.

References are made in later volumes to articles in volumes 4 and 5 on page numbers which are now incorrect for the current re-prints.

Here are some examples:

Reference	Present reading	Should read
Vol. 4/5, p. 113 line 3	pages 89-93	pages 82-86
Vol. 6, p. 30 line 24	Vol. 4, pages 84,85	Vol. 4/5, pages 56-58

Vol. 9, p. 28 line 15	Vol. 1, page 89	Vol. 1, pages 82-86
Vol. 9, p. 28 line 16	Vol. 5, page 9	Vol. 4/5, page 113
Vol. 9, p. 49 line 6	Vol. 3, page 43	Vol. 2/3, page 93
Vol. 11, p. 50 line 28	Vol. 3, page 42	Vol. 2/3, page 93

Volume 6

Volume 6 was re-printed in volumes 25 and 26. Articles in volume 6 are therefore also shown as occurring in either volume 25 or 26 as well as volume 6. This is indicated by the bold volume numbers **25.06** and **26.06**.

Will any reader who spots a mistake or anomaly please let us know.
