OLD TESTAMENT pattern, the bridge showing how all is restored on the earth

The Feasts represent the steps the Lord took to deliver Israel from bondage to the Promised Land of milk and honey. They prophesy the future steps the Lord will take to deliver Israel into a glorious Land, Is.51:3. Through these steps the enemy, sin and death will be removed and the restoration of things lost will be found on the new earth.

The Feasts reveal the earthly purposes made possible by redemption through His blood, they do not typify salvation of Christians today going to heaven

Genesis, Israel and Revelation are about companies of redeemed on the earth. Most of the New Testament is not ABOUT us. Paul's post-Acts letters are ABOUT us today.

Pentecost, Trumpets & "rapture", do not picture "the church"

Pentecost to Mighty signs and wonders – supernatural gifts for Priests, garments & Tabernacle, divine blessing, judgments, wicked cut off, provision, visions, ministry of angels, → **Trumpets**

Abraham rejoiced to see the Lord's day Jn.8:56

These dates show the time possible for Israel's deliverance out of Egypt into the Promised Land

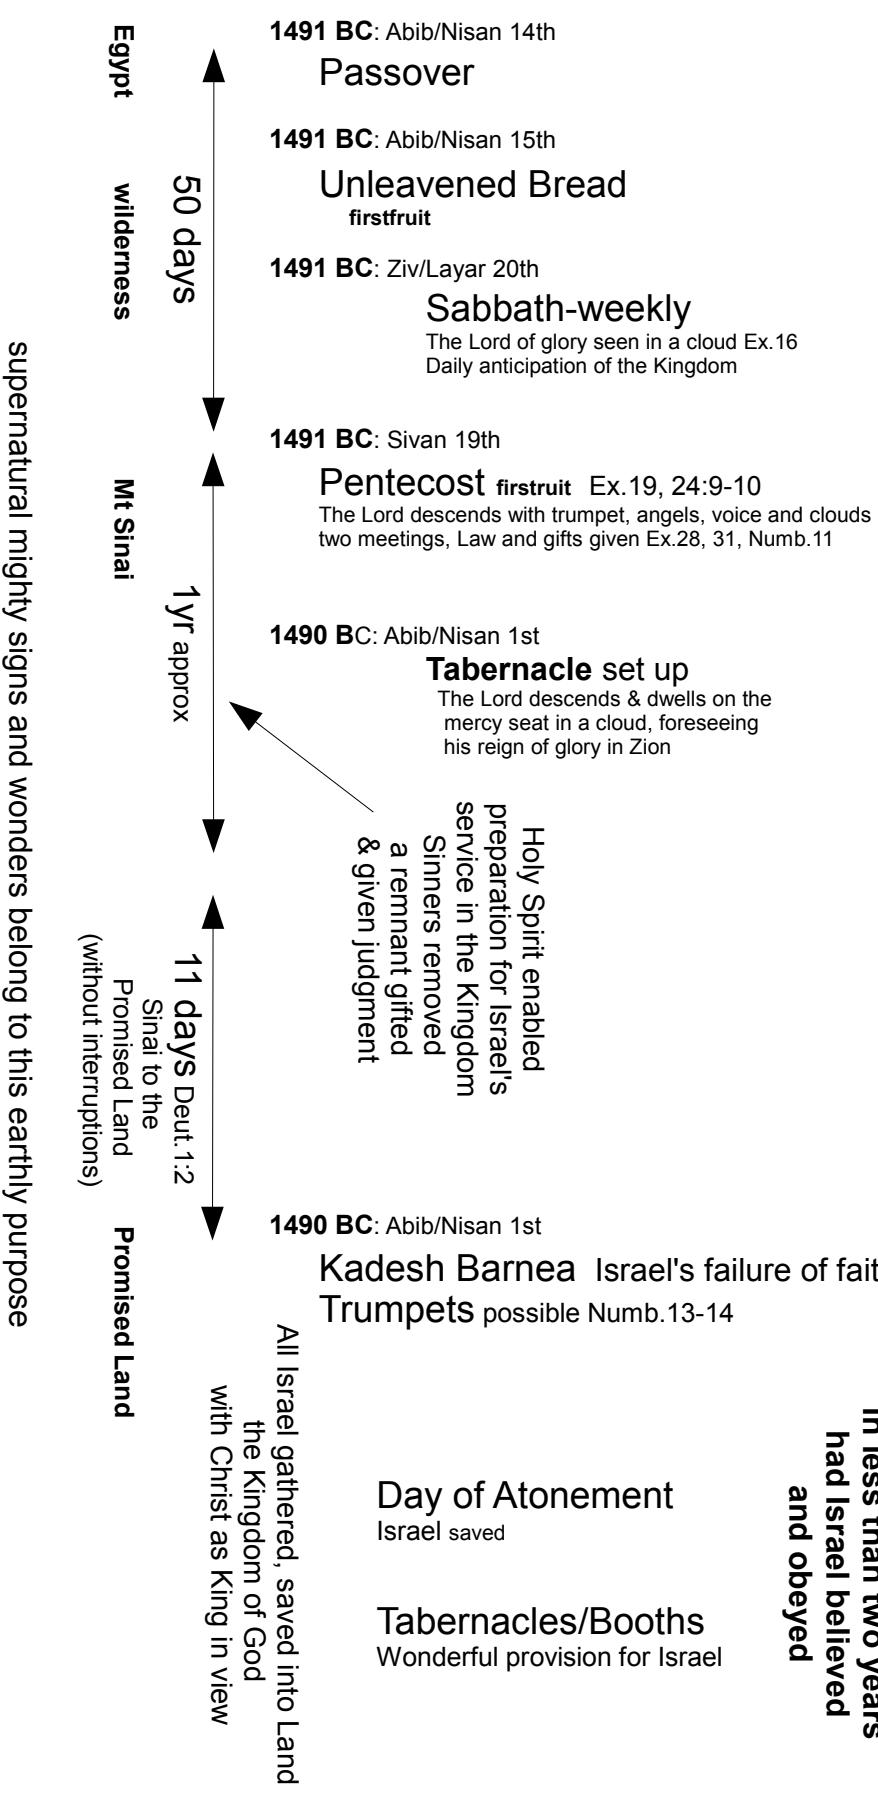

God's purposes are immutable, but the timing can be conditional when Israel's faith is the trigger

This is the Gospels and Acts in dispensation and doctrine. We must interpret the Gospels and Acts according to this pattern

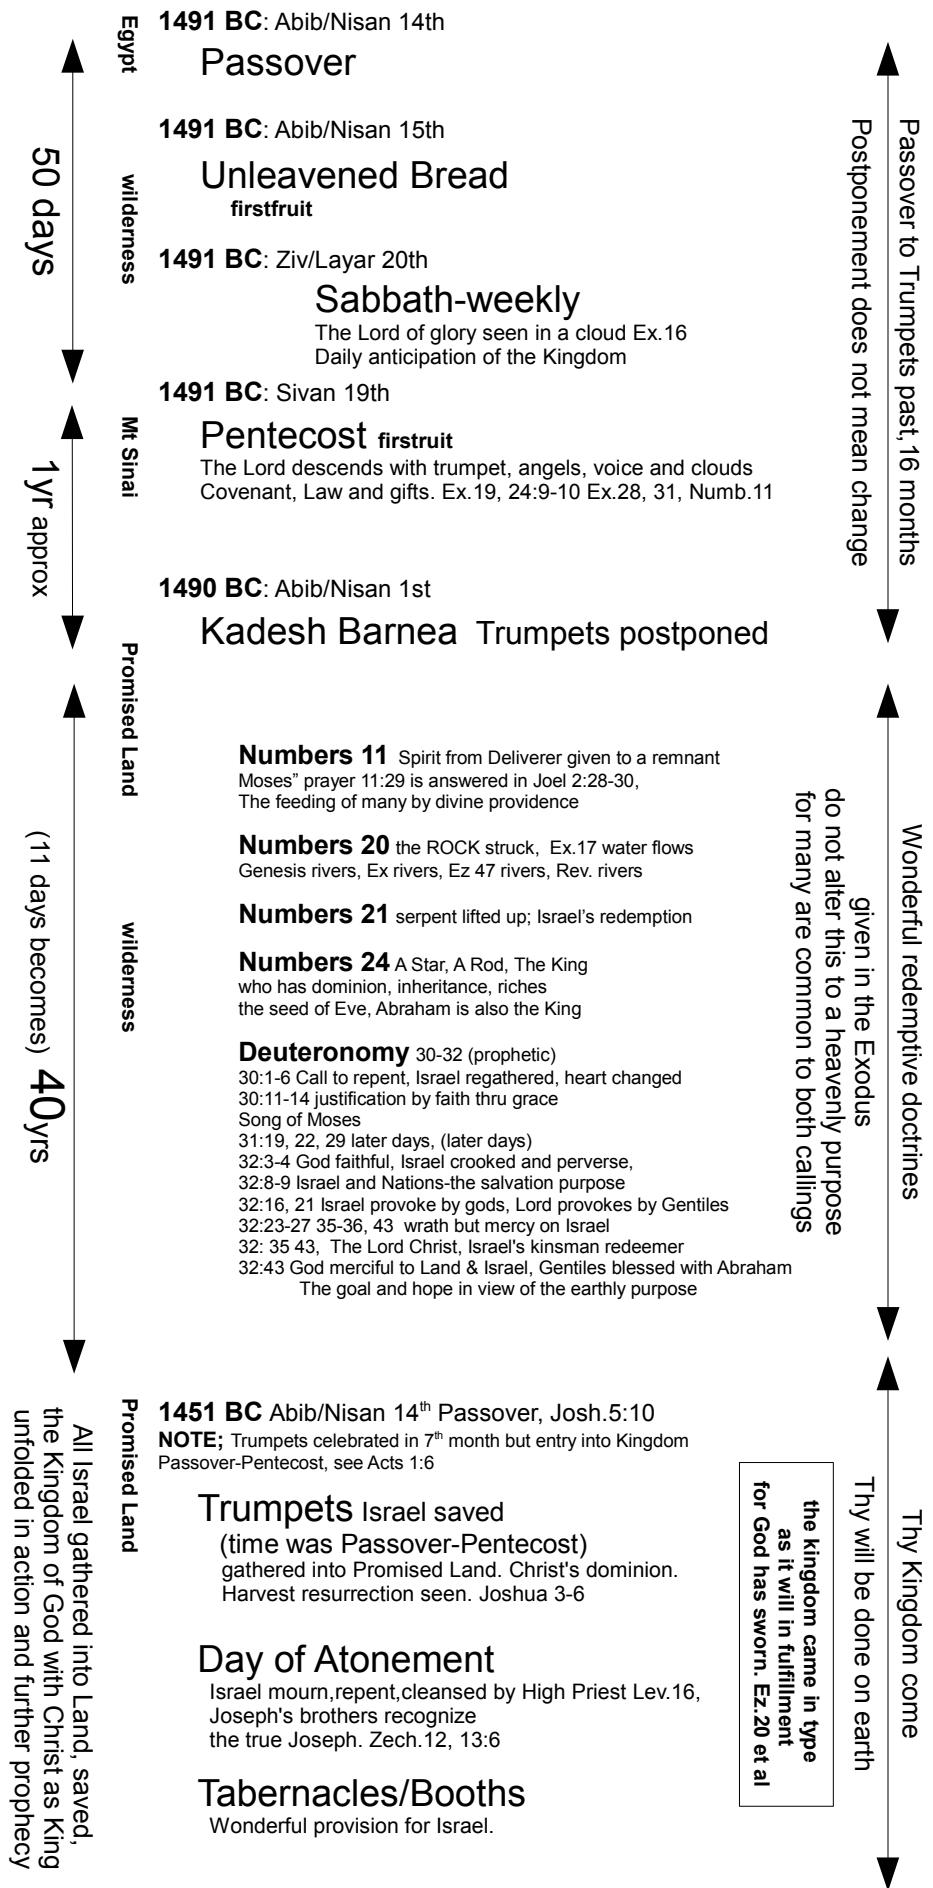

The Gentiles are included and thus their blessing with Israel during the Gospels and Acts is anticipated in these festive steps of deliverance

These dates show the actual time for Israel's deliverance out of Egypt into the Promised Land

God's purposes are immutable and will come to pass despite Israel's lack of faith
